

# Coloring postcard

With your self-coloured postcard you can give someone a very special treat!

Paint the postcard with bright colours as you like. Add your message and send it by post to friends or family. You can also drop it in the mailbox of a neighbour's child.

The explanations on the side will help you to create your postcard - have fun!

1

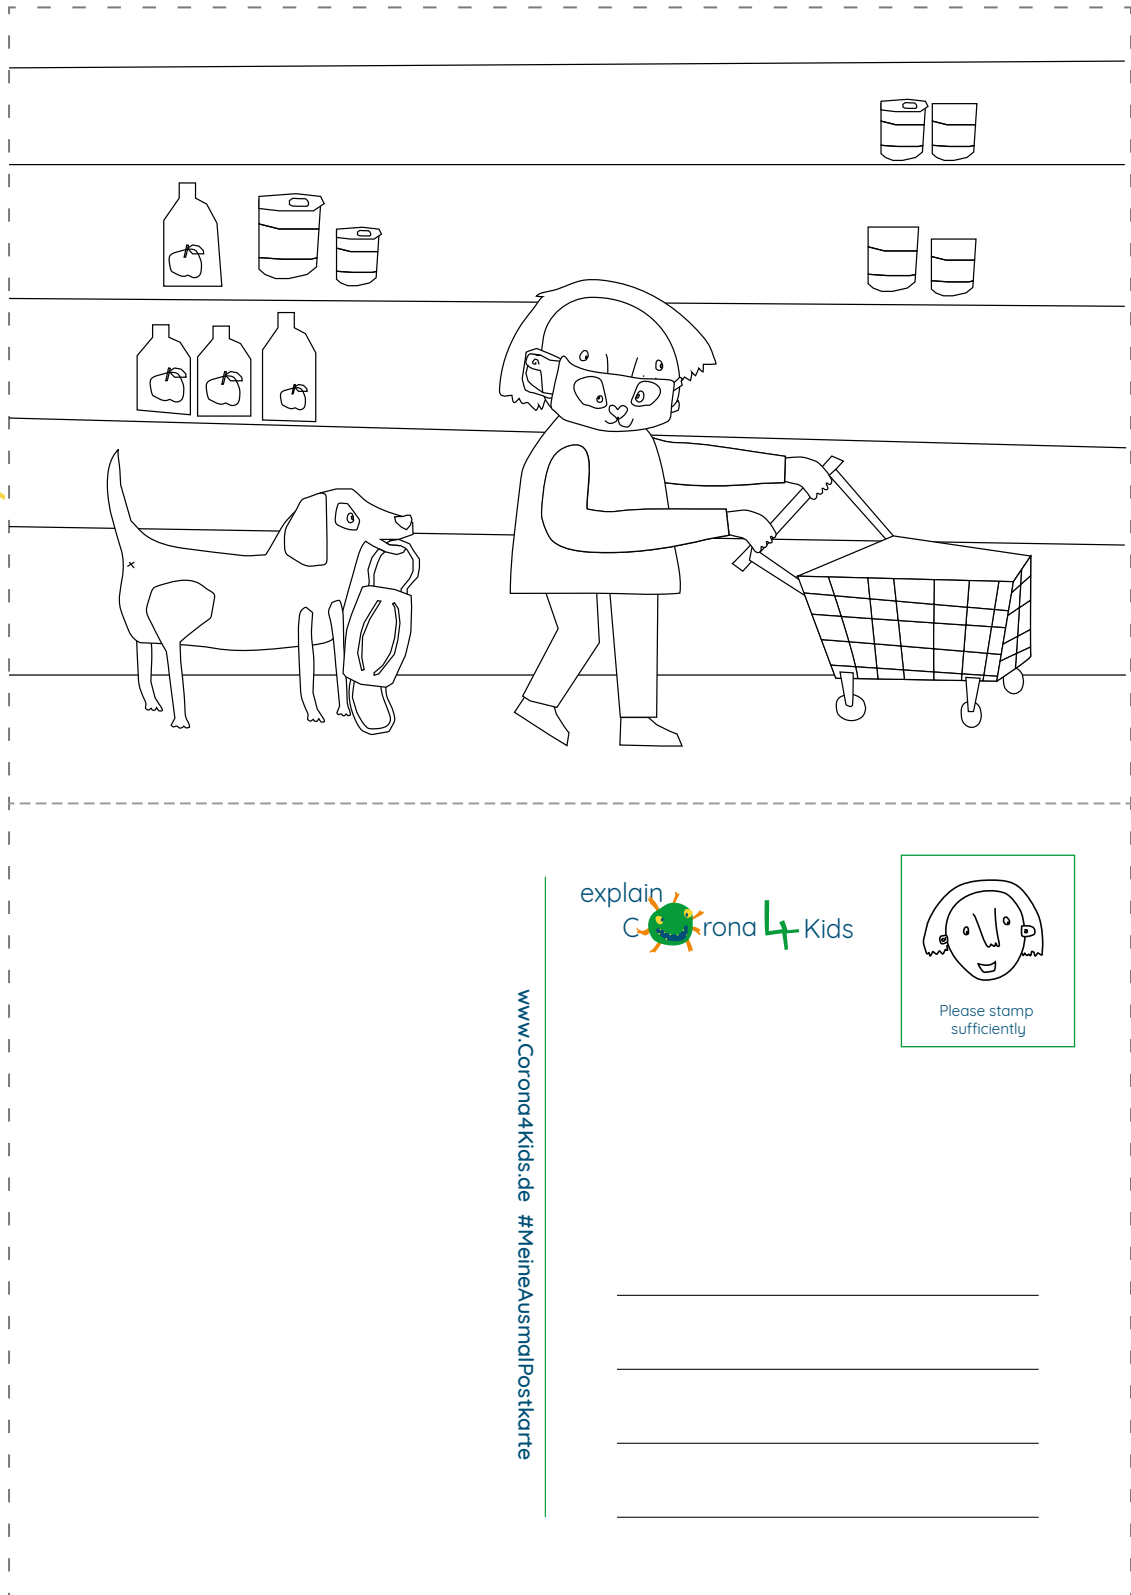

Print the page

2

Cut along the outside

3

Fold in the middle and glue together

Four horizontal lines provided for writing a message on the postcard.
